CAREER OPPORTUNITY

UBC Department of Psychiatry | Assistant Program Director & Discipline Specific Site Leader | Postgraduate Education | Victoria, B.C. | Royal Jubilee Hospital

The UBC Department of Psychiatry invites applications for a combined leadership position as the Assistant Program Director (0.25 FTE) and Discipline Specific Site Leader, Postgraduate Education (0.08 FTE), Vancouver Island. This position is located in Victoria, B.C.

The combined role will have responsibilities to support postgraduate learners in the UBC Department of Psychiatry Residency Program with Victoria as a CaRMS site. This position will report to the Postgraduate Program Director, UBC Department of Psychiatry and also to the Regional Associate Dean, Vancouver Island, UBC Faculty of Medicine.

This position is for a two and one half year term beginning January 1, 2017 with the possibility of renewal, subject to satisfactory review and is expected to be filled by a candidate internal to the UBC Department of Psychiatry. The anticipated start date is October 1, 2016 at approximately 0.17 FTE for a three month term to allow for transition between the current incumbent and the incoming candidate. The candidate must have sufficient protected time during the working week to fulfill the requirements of this role.

The successful candidate will have an MD and FRCPC qualifications in Psychiatry, be eligible for licensure by the College of Physicians and Surgeons of British Columbia, currently hold or be eligible for a clinical faculty appointment at UBC, and have knowledge and experience in medical education and Royal College of Physicians and Surgeons of Canada accreditation requirements. He/She will be experienced in advising/counselling residents and have excellent interpersonal skills, proven administrative ability and outstanding communication skills. A more detailed description of the roles related to this position are available upon request from: Dr. Michael Cooper, IMP Assistant Program Director and Discipline Specific Site Leader, UBC Psychiatry Residency Program; Michael.Cooper@viha.ca; phone: 250-370-8111 (local 17088).

The closing date is Friday April 29, 2016.

The University of British Columbia (UBC) is a global centre for research and teaching. Surrounded by the beauty of the Canadian West, UBC embraces bold new ways of thinking that attract exceptional students and faculty. It is a place where innovative ideas are nurtured in a globally connected research community, providing unparalleled opportunities to learn, discover and contribute.

Faculty members, students, staff and alumni in the UBC Faculty of Medicine are actively engaged in innovative, leading edge research, education and community service on university and hospital campuses across the Province. Together we aim to create knowledge and advance learning that will make a vital contribution to the health of individuals and communities, locally, nationally, and internationally.

UBC hires on the basis of merit and is committed to employment equity. All qualified persons are encouraged to apply. UBC is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. However, Canadian and permanent residents of Canada will be given priority.
