Grand Rounds

Monday, February 24, 2014

Presented by:

Dr. Abid Khan MB, BS, M.D.

Dr. Christoph Correll M.D.

Making a Difference: A New Treatment Option for People Living with Schizophrenia

Room 1500 – Small Lecture Theatre

Providence Building – Level 1

12:00 noon – 1:00pm

At the end of the presentation, participants will be able to:

- Discuss the impact of LAI antipsychotic treatment in preventing relapse and preserving cognition in patients with schizophrenia
- Evaluate data on Abilify Maintena™ as a new treatment option in schizophrenia
- Share best practices in optimizing patient care in schizophrenia

This event is an accredited group learning activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada.
