Date: Tuesday, April 29, 2014, 12:00 noon - 1:00 p.m.

Objectives:

By the end of the presentation, attendees will:

1. Review the (gradual?) shift in emphasis from categories to dimensions in DSM.
2. Review Personality Disorders, as (re?)-formulated in DSM-5.
3. Explore some of the criticisms of the above.

The UBC Geriatric Psychiatry Videoconference Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
