Presenter: Maggie Bennington-Davis, MD, Chief Medical and Operating Officer Cascadia BHC

Neurobiology of Trauma

Learning Objectives:
1. Define what is meant by trauma informed services.
2. Review the Adverse Childhood Experiences study and describe how early childhood adversity can be linked to later health and behavior problems.
3. Understand how neurobiological development is shaped by exposure to trauma and violence.

Facilitators: Dr. Harry Karlinsky (Richmond), Drs. Diane Fredrikson/Stephen Schertzer (VGH/Community), Dr. Maithili Shetty (St. Paul’s), Dr. Arvind Kang (North Shore & Coastal), Dr. Anton Scamvougeras (UBC), Nora Koros (Powell River), Dr. Apu T. Chakraborty (Squamish), Douglas Andrie (Sechelt), Margot Sangster (Whistler)

For more information: Margaret Laird 604-875-4131 or Margaret.Laird@vch.ca

*The Regional Department of Psychiatry Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada*
