Psychiatry Vacancies, Vancouver Island

The Department of Psychiatry, Mental Health and Substance Use Program, Island Health has part-time and full-time opportunities for Psychiatrists in Victoria, Parksville, and Port Alberni.

The current vacancies include:

- Early Psychosis Intervention Psychiatrist, Schizophrenia Service (0.3 FTE) – Victoria
- Urgent Short-term Assessment Treatment Psychiatrist (0.4 FTE) – Victoria
- Addictions Outpatient Treatment Psychiatrist (0.4 FTE) – Victoria
- Assertive Community Treatment Psychiatrist (0.3 FTE) – Victoria
- Child & Adolescent Psychiatrist - Victoria
- Psychiatrist – Developmental Disability Mental Health Team (0.5 FTE) – Victoria & South Island
- Adult Psychiatrist– Parksville
- Assertive Community Treatment Psychiatrist – Port Alberni

Island Health is interested in creating work opportunities that both meet our population needs and are flexible to meet the needs of applying psychiatrists. Physicians can apply for available positions individually or in various combinations to create a fulfilling and rewarding practice experience.

Remunerated primarily by fee for service billing and sessional contracts, additional incentives under the Rural Practice Subsidiary Agreement may be available for practice in the communities of Parksville and Port Alberni including a recruitment incentive of up to $10,000 and relocation assistance.

Few areas in the world can match Vancouver Island’s scope of year-round outdoor activities with everything from sailing, kayaking, scuba diving, hiking, golf, world-class fishing, and skiing and snowboarding at Mt. Washington.

Your career can be a demanding one so why not consider a location where the benefits are naturally distracting? With our enviable coastal climate, stunning natural beauty and endless recreational opportunities, Vancouver Island offers unlimited possibilities for your career, family and future!
