All UBC faculty are invited to the
VFMP* Dinner and Development Evening

Principles of Teaching and Assessment in the Early Years of the Renewed MD Undergraduate Program

Please join the VFMP Faculty Development Team for an evening of faculty development with Dr Jess Mandel, Associate Dean Undergraduate Education, University of California, San Diego.

Dr Mendel has spearheaded the implementation of a renewed competency-based medical curriculum that successfully integrated foundational science knowledge and clinical expertise. For our evening session, Dr Mandel will lead an interactive exploration of the challenges, solutions and suggested recommendations for the implementation of an integrated, competency-based curriculum. The session will focus on teaching, learning and assessment within the new Foundations of Medical Practice (FOMP) courses of the renewed UBC MDUP starting in September 2015.

Session Details:
Date: February 2nd, 2015
Time: 6:30 – 8:30 pm (dinner will be provided)
Location: VGH JPPS 1888 (Video Conference not available)
