CBT For Psychosis: Evidence-based practice in Fraser Health

Speaker:

Dave Erickson, PhD, R. Psych
Fraser Health & UBC Department of Psychiatry

Wednesday, March 30, 2016 – 12:00 to 1:00 P.M.
BCCH: D308 (Shaughnessy Building)
SHHC: S113 Cafeteria Conference Room

Learning Objectives:

1) Consider the role of psychosocial treatments in early psychosis and schizophrenia

2) Understand adaptations for CBT-Psychosis

3) Distill the evidence: “best practice”

4) Appreciate CBT-P in Fraser Health
