Reproductive Mental Health Academic Rounds

Eating Disorders During Pregnancy and Post Partum
Speaker: Dr. Suja Srikameswaran
Psychology Professional Practice Leader, St Paul’s Eating Disorders Program

Learning Objectives:
- Review current research
- Strategies for change with symptoms and body image issues in pregnancy
- Strategies for change with body image, parenting and relationship issues postpartum.

Tuesday, April 26th 2016
12:00-1:00 PM

Join Via Telehealth or Teleconference
If you would like to attend via Telehealth or Teleconference, please respond to aazadeh.madani@cw.bc.ca by April 18th 2016 with the following information:
1) Your location (city/hospital) and preferred Telehealth site/room
2) A contact person for your Telehealth site who will be responsible for:
   - Arriving 15 minutes early to participate in the test call
   - Distributing slides, evaluation materials and a sign in sheet
For Teleconference: provide your name, professional role, place of work and contact details.

The Reproductive Mental Health Academic Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
