INVITATION

FACULTY DEVELOPMENT WORKSHOP
Dr. Jodi Lofchy

Crisis Intervention in the ED: Triage or Treatment?

Date: November 8th, 2017
Time: 4:30pm-7:00pm
Location: VGH Segal Centre
          2nd Floor Boardroom #205

Food and refreshments provided. Videoconference to teaching hospitals.

LEARNING OBJECTIVES:
At the end of this session, participants will have:
1. Increased familiarity with models of crisis intervention
2. Awareness of the applications of psychotherapeutic models in the ED
3. An appreciation of the skills necessary to simultaneously conduct a diagnostic and therapeutic interview
4. How to teach this to residents.

RSVP by November 1st via
