

Criteria for Clinical Assistant Professor from FOM Policy on Clinical Faculty Appointments
(updated May 16, 2017):

Appointments at this rank may be made for up to 10 years, renewable. A candidate for appointment to this rank will meet some or all of the following:

1. Has demonstrated capability as a teacher.
2. Has demonstrated competence in clinical practice and a willingness to relate his/her practice to teaching.
3. Shows sustained effort to present clear and useful teaching sessions.
4. Has made an effort to learn about teaching techniques.
5. Is a member of appropriate local and provincial or territorial organizations.
6. Has complied with any additional department/school criteria identified in writing.
7. Participates in administrative and/or service activities of his/her hospital, agency, professional organization, the FoM, or UBC.
8. Participates in research as a primary investigator or in collaborative studies.
