Reference #: C-190618

## **Assistant/Associate Professor (Clinical)**

---

Faculty of Medicine – Department of Psychiatry (Douglas Mental Health University Institute)

---

### **Position description**

The Department of Psychiatry at McGill University is currently inviting applications for a full-time position as a member of the Contract Academic Staff at the rank of Assistant/Associate Professor (Clinical). The professorial rank will be according to the candidate's qualifications and experience. This will be a three-year, renewable appointment.

The successful candidate will have a broad range of clinical abilities and aptitude for working in interdisciplinary teams in the field of Youth Mental Health and early psychosis. The applicant will also have demonstrated experience in education and/or an active research dossier. The candidate will be appointed to clinical practice at the Douglas Mental Health University Institute.

The Douglas Mental Health University Institute is part of the *Centre intégré universitaire de santé et de services sociaux de l'Ouest-de-l'Île-de-Montréal* (CIUSSS-ODIM) whose mission is to offer cutting-edge care and advance and share knowledge in mental health. The department is proud to host a respectful, multi-disciplinary and inclusive work setting in its multiple areas of activity, which includes the training of a diverse group of students.

The department is affiliated with McGill, Canada's most international university. Montreal offers an extremely high quality of life and is one of the most multicultural and lively cities in North America.

### **Job Duties**

The successful candidate will be expected to provide excellent clinical teaching and supervision to residents and medical students, participate in hospital administrative activities, pursue scholarly activities, and make innovative contributions to the academic mission of the Department.

### **Qualifications and Education requirements**

Requirements:

- Must have completed advanced Psychiatry training (fellowship/graduate studies).
  - Must hold an MD and be eligible for licensure as a psychiatrist in the province of Quebec.
-

- Advanced capacity to engage in all aspects of a university affiliated psychiatry department (clinical, education and/or research).
- Bilingual language competencies (French and English).

Assets:

- Clinician-scientists with MD/PhD (or equivalent research-intensive training) are strongly encouraged to apply.
- Clinical experience in schizophrenia including early psychosis.
- Strong clinical/academic background working with youth at risk of developing psychosis.

---
