Topic  
Duty to Report? Germanwings Flight 9525, Fitness to Fly and Other Considerations Pertaining to Mental Health and Aviation Safety.  

Learning Objectives  
1. Recognize their "duty to report" responsibilities under the Aeronautics Act.  
2. Consider which factors from a psychiatric perspective may compromise a pilot's ability to safely fly.  
3. Recognize under what conditions a pilot may be allowed to fly while prescribed an approved medication for a psychiatric condition.
