

The UBC Institute of Mental Health (UBC IMH), affiliated with the University of British Columbia's Department of Psychiatry, is committed to building research capacity, conducting world-class innovative mental health and addictions research, and translating knowledge into clinical practice that reaches individuals, their families and society, and truly transforms the lives of those affected with mental illnesses and addictions. The UBC IMH is inviting clinicians and researchers to join the Institute to support its vision and mission.

APPLYING FOR MEMBERSHIP TO THE UBC IMH

ELIGIBILITY GUIDELINES & INSTRUCTIONS

Applications for membership to the UBC IMH are invited from researchers who:

- Hold an active academic or clinical faculty appointment at UBC
- Are engaged in or are interested in pursuing basic science, clinical, population health, or health services research relevant to mental health

Applicants must complete the **UBC IMH MEMBERSHIP APPLICATION FORM** below, and submit this along with a **CURRENT CV**, and a **PROFILE PHOTO** (if you wish to include this on your investigator profile on the IMH web page), to Ms. Lilla Berry at psychiatry.headasst@ubc.ca.

RESPONSIBILITIES AND EXPECTATIONS

UBC IMH Members are expected to:

- Demonstrate a commitment to mental health research through evidence of ongoing scholarly contributions to the field
- Play an active role in UBC IMH activities and initiatives, including research, education, fundraising and community events
- Participate in mentorship of trainees, fellows, junior faculty members, as appropriate

MEMBERSHIP BENEFITS

Access to IMH resources and support, including:

- Funding opportunities for members and their trainees
- Research support infrastructure, such as grant facilitation for PIs and trainees and internal peer review
- Mentorship opportunities for new investigators
- Training, educational and public outreach opportunities
- Opportunities for collaboration and community networking
- Use of UBC Psychiatry meeting and conference rooms, audiovisual resources, information technology systems, communications/media assistance, and administrative support

All membership applications will undergo review and the outcomes will be communicated directly to the applicant via email.
